

Probation Oversight Commission  
 Oleoresin Capsicum (OC) Deployment Summary: Follow-Up  
 December 8, 2022

The chart below is follow-up information to the OC Deployment Summary<sup>1</sup> that was presented at the last Probation Oversight Commission meeting on November 16, 2022. Data for OC use in Barry J. Nidorf Juvenile Hall (BJNJH) and Central Juvenile Hall (Central) in October and November 2022 indicated a decrease in OC deployment from the high of 88 deployments in September. In October, the decrease was slight and there were 76 total deployments of OC spray. In November there was more of a drop, and from the 1<sup>st</sup> to the 26th of November there were 33 deployments.
